24         <h2 style = "text-align: center">About Me</h2>
25         <p style = "text-align: center">My name is Kevin Blinn and I plan to
26         become a Software Developer! I'm currently a student at Clemson
27         University on the way to get a Computer Science Degree. My goal is to
28         advance and work on innovative technologies. I wish to be able to
29         program in any language I try and I'm excited to develop Software,
30         Websites, and Video Games!</p>
